Eatman

VOL 17 ATOGAKI, by AKIHITO YOSHITOMI

- ★ How do you feel about this volume?
It's already been two years since it was first serialized originally. Thunder Monthly only planned on 4 issues' appearance. But Bolt, the man is too quick, even I can't catch up to him...

- ★ Year 1997.
Since "Eatman" was first serialized, there's already thoughts about an anime. Now that it's realized, I'm really really happy.
Year 1998,
back to the manga, thanks to the help from everyone in the editing department I'm very grateful.
Please continue your support next volume!
The next volume is an original, look forward!
The one who plays Bolt Crank this time is Mr. Mourihiro. Thank you for your help!

- ★ My previous work "Eatman 99" needs you to play it. It's all up to your help and...
Thank you to all the readers' support!

- ★ How is "Hungry"?
Can you understand the story? Hehehe...

- ★ Even when hungry Bolt still has things that he doesn't eat...
